Safety and Liability

_____ As the relationship with a student progresses, student will likely begin to trust and confide in you. You should take time to listen and show them that you care. It is best practice to avoid making promises and make sure to report to staff any behaviors or communications that concern you.

_____ Personal information about yourself should be shared only as it is relevant to the work you are doing with the student. Do not give any personal contact information to student, including your social media contact information.

_____ Some students, typically at elementary level, will naturally become attached and show affection. Handle the situation with sensitivity. Front hugs are NOT allowed. Instead, carefully put your arm around a child's shoulder and turn it into a side hug or give "high fives." Students should **never** sit on your lap regardless of age.

Working with Children from Diverse Backgrounds

_____ Students in Seattle Public Schools come from many different families, cultures, and communities--each with its own set of values and beliefs. Be mindful of different cultural norms that every student has. Understanding the students' cultures and helping students' to understand the school culture will increase their ability to learn. Please do not impose your personal values and belief onto the students.

Confidentiality

_____ Students in Seattle Public Schools have the right to expect that information about them will be kept confidential by all volunteers. Additionally, all information contained within a student's educational record is considered confidential and protected by a federal law, the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. Section 1232g. Volunteers are expected to maintain student confidentiality.

_____ Each student you work with has the right to expect that nothing that happens to or about him or her will be repeated to anyone other than authorized school department employees, as designated by the administrators at your volunteer site.

_____ You may NOT share information about a student with anyone, including your best friend, significant other, or individuals who are genuinely interested in the student's welfare, such as social workers, scout leaders, clergy, grandparents, or nurses/physicians. Thus, you must refer all such questions to authorized school employees, typically the student's teacher or principal.

_____ Information about a student may be communicated to school staff and school administration. Information shall be communicated immediately if it is a medical emergency OR if a student shares information that indicates a threat of imminent physical injury to the student or others.

_____ Before you speak about a student to another person, remember that violating a student's confidentiality is not only impolite; it's also against the law.

Volunteer Agreement

I (print name), _____, will take the above statements (and the remaining guideline in the Volunteer Handbook) into consideration during and after my time as a volunteer for SPS. I acknowledge that I have been made aware of where to find the Volunteer Handbook for future reference and to whom I can speak to regarding any questions or concerns I may have. I also acknowledge that I will need to review the Online Adult Sexual Misconduct Video AND meet criteria for background check clearance prior to volunteering with SPS students. In addition, while volunteering, I understand that my photo could be used in a SPS publication unless I opt out with the site coordinator. I understand that volunteering at a school or in a program with students is a privilege and that the Principal or Program Manager can terminate my eligibility to volunteer.
